

As an Indiana citizen, I want to speak out against proceeding 02-278. I am very satisfied with our state's Do Not Call Law and know that the effectiveness of this law will be diminished with preemption from the federal law. We deserve the right to keep peace in our homes and to not have to deal with unwanted solicitations. If I wanted a bank--even my own bank--to call me, I would ask them. Other citizens of Indiana, as well as myself, DO NOT want our law preempted!
